

MOUNTAIN VIEW FUNERAL HOME, MEMORIAL PARK & CREMATORY CEMETERY OPTIONS

Mountain View Funeral Home, Memorial Park & Crematory offers several types of burial options to help you memorialize the lives of your loved ones for years to come. Having a permanent place - in a cemetery, mausoleum, or cremation garden - that can be visited regularly by family and friends is an essential part of the time following a death. It becomes a focal point of memorialization and gives everyone a special place to go to remember your loved one, or to commemorate important occasions.

Our options include above ground burial, in-ground burial and cremation memorialization. All offerings are available in a wide array of prices and styles to accommodate your family's needs.

A mausoleum is an above-ground structure constructed to hold one or more caskets or urns. Private family mausoleums, companion mausoleums and private cremation estates can be specially designed to reflect your families vision.

In-Ground Burial

Mountain View Funeral Home, Memorial Park & Crematory offers a wide variety of in-ground burial choices including individual, companion or family estates surrounded by the natural beauty of our gardens. Whether your family seeks traditional burial spaces, double depth or in ground cremation placement our cemetery offers a multitude of individual selections to meet every family's needs and budget.
